Re: Joint Notice to the Director of Charitable Trusts Pursuant to New Hampshire RSA 7:19-b on behalf of Monadnock Community Hospital and Huggins Hospital

Dear Assistant Director Haley:

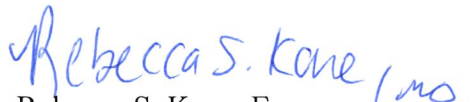

Enclosed please find the Joint Notice being submitted by Monadnock Community Hospital and Huggins Hospital pursuant to New Hampshire RSA 7:19-b in connection with their proposed withdrawal from and dissolution of GraniteOne Health, which is the sole member of each of the hospitals (the "Affiliation Dissolution"). While GraniteOne Health is also a co-member of Catholic Medical Center, the Affiliation Dissolution does not result in a change of control for Catholic Medical Center and, therefore, Catholic Medical Center is joining in the Joint Notice solely for the purpose of providing information.

We are submitting two copies of the Joint Notice, one is the public version reflective of all documents and related materials that are subject to public review and the other is the non-public version. The non-public version includes documents and related materials that we are submitting to you with the understanding that they are confidential and not subject to New Hampshire's Right-to-Know Law, RSA § 91-A et seq., as these materials are exempt as confidentially sensitive information or may include information that is exempt pursuant to the right of privacy exemption contained in RSA§ 91-A:5, IV. Any appendix that is considered confidential is marked (*Confidential*) in the Index of Appendices. We request immediate notification in the event that a right-to-know request is made regarding any of the documents we have enclosed. We also respectfully request that your office take whatever steps are necessary to ensure that the enclosed documents are treated as confidential and not disclosed to any third parties.

In addition to the hard copies enclosed, electronic copies of the filings and all appendices are being electronically sent to you via Citrix Sharefile. The information which is considered confidential is labeled (*Confidential*) in the file name.

As you know, John Malmberg of Orr & Reno, P.A. represents Monadnock Community Hospital and Huggins Hospital. Jason E. Cole, Vice President and General Counsel of Catholic Medical Center and Devine, Millimet & Branch, Professional Association represent Catholic Medical Center. We are looking forward to working with you and answering any questions or requests for additional information that you may have. Thank you.

Very truly yours,

  
Rebecca S. Kane, Esq.
