BUILD AMERICA, BUY AMERICA

CERTIFICATE OF COMPLIANCE

Date: _____, 20____

WE, _____

(Prime Contractor)

Address: _____

Hereby certify that we are in compliance with the Build America, Buy America Act (Public Law 1117-58) requirements for this project. All steel and iron, manufactured products produced predominantly of steel or iron, and construction materials as specifically defined in the Special Attention Build America, Buy America, that are permanently incorporated into the work for this project were produced in the United States of America, with the only exceptions as noted below.

_____	_____	_____
Project Name	Federal No.	State No.

As required, we will maintain all records and documents pertinent to the Build America, Buy America Act requirements, at the address given above, for not less than 3 years from the date of project completion and acceptance. These files will be available for inspection and verification by the New Hampshire Department of Transportation and/or the Federal Highway Administration.

We further certify that the total value of foreign steel and iron for this project is $_____, said value being less than 0.1% of the total contract price or $2,500.00, whichever is greater.
