RE: Conformance (SF1444) Rates

To Whom it May Concern:

In an effort to keep you informed about approved and/or amended conformance/SF1444 rates, as of June 6, 2022, NHDOT will post a report of the status of requested rates from the United States Department of Labor (USDOL), on the Office of Federal Compliance (OFC) website, under Contractor Compliance, located here: <https://www.nh.gov/dot/org/administration/ofc/index.htm> .

The report will be updated on the first Monday of each month and posted on the website. OFC Compliance Review Officer (CRO) will continue to send letters with amended rates upon receipt from USDOL.

NHDOT will work with the iCX consultant on eventually giving contractors the ability to run their own report or be able to see the status of their requests for each project in iCX.

Should you have any questions, please contact Denise Presby, Compliance Review Officer at Denise.R.Presby@dot.nh.gov or 603.271.8249.

Sincerely,

Larisa Djuvelek-Ruggiero
Chief of Federal Compliance
