Welcome to the State of New Hampshire Permit Portal

New Hampshire is working every day to improve digital government access for everyone living in or doing business in our beautiful state. This portal will help streamline the permit process for both applicants and processing staff. It will continue to grow as more agencies migrate their permits, certifications and other forms online.

Quick Links

- Create Business Account
- Permit Portal Overview
- Personal Account Help
- Business & Municipality Account Help

3. After you have entered your **Username & Password** click **Log In** to be brought to your account page

Click the sign up button below if you would like to sign up for an individual account. For municipalities, or accounts where multiple people within the organization will be applying for permits, please request a business account [here](#).
