

NH's Historic Bridge Inventory Review

Can search by Town or Bridge number

Quick Review

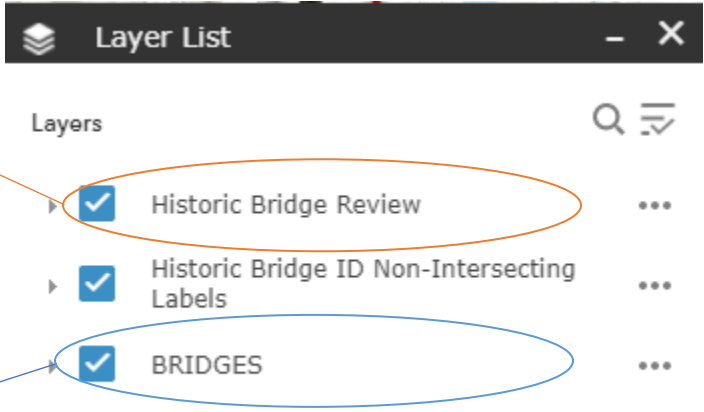

Allows you to filter by bridge type

Want more filtering capabilities? Check out the Attributes Table, click Options, then Filter. This will allow you to select any field to focus your search more!

This layer provides all the Historic Bridge information, including significance, integrity, comparative information and any associated graphics/photos/previous documentation. Yellow pins are eligible bridges.

This layer will turn on all the bridge in NHDOT's inventory (including those built after 1978). If there are bridge plans available they are available here and NOT under the Historic Bridge Review layer (you will need to turn the HB review layer off to access this pop-up).
