FINDINGS OF FACT

3. Throughout 2020 and 2021, Respondent used a form to gather client information with questions that did not track verbatim the language used in life insurance applications.
4. In 2020 and 2021, Respondent improperly shared commissions with persons working with him by failing to list the persons receiving the commission split as someone who worked on the file.

ORDER

WHEREFORE, the NHID orders and Respondent consents to the following:

- a. The Respondent waives all rights to a formal administrative hearing in this matter and agrees that this Consent Order shall have the full force and effect of an Order fully entered in accordance with the adjudicatory procedure provided for in RSA Chapter 541-A and Ins Part 200.
- b. For the purposes of resolving this matter without a formal administrative hearing, Respondent agrees to the following:
 - i. A 60-day suspension of his NH insurance producer license effective July 26, 2023;

The checks should be made

payable to “Treasurer, State of New Hampshire”, and should be mailed to the attention of Sarah Prescott, New Hampshire Insurance Department, 21 South Fruit Street, Suite 14, Concord, NH 03301. The remaining suspended \$7,500 only becomes due should the New Hampshire Insurance Department find that Respondent violated an Insurance Law or Rule within 3-years of the execution of this Order;

- iii. To engage in community service at least once a year over the next three years by providing a summary of this action and what Respondent has learned to ensure compliance with insurance law, either through speaking to continuing education courses for producers, college courses on insurance law, or some substantially similar educational course;

- d. By entering into this Consent Order, the NHID and the Respondent intend to fully resolve all issues relating to the above-mentioned matters. This Consent Order shall be deemed a complete settlement and full and final resolution and is in lieu of any other action(s) that has and could have been brought by the NHID relating to these matters. Provided however, notwithstanding the foregoing, the NHID may take any and all appropriate actions should the Respondent violate any provision of the State's insurance laws in the future.
- e. This Consent Order shall be fully enforceable in any Superior Court in the State of New Hampshire, and any actions to enforce this Consent Order shall be governed by the laws of the State of New Hampshire.
- f. This Consent Order is considered a public regulatory action and will be reported to the National Association of Insurance Commissioners. - g. This Consent Order is not intended to subject Respondent to any statutory disqualifications set forth in (a) the federal securities laws or regulations promulgated thereunder, (b) the rules and regulations of any self-regulatory organizations, or (c) various states' securities laws, including but not limited to any disqualifications from relying on exemptions from registration or associated safe harbor provisions.
