Dear Ms. Dinger,

The New Hampshire Insurance Department ("NHID") has received and reviewed your application for the written consent to engage in the business of insurance pursuant to 18 U.S.C. § 1033 and 1034 ("1033 waiver"). The NHID understands you require a 1033 waiver due to a prior felony conviction that involved fraud.

Based upon the materials provided, our in-person interview, and the terms of the Consent Order with the NHID you agreed to, the Commissioner of Insurance is **granting** written consent, as contemplated by 18 U.S.C. § 1033(e)(2) to engage in the business of insurance.

If you are subsequently convicted of another felony offense or if additional information concerning your activities within the business of insurance becomes available, the NHID reserves its rights to withdraw this consent under 18 U.S.C. § 1033(e)(2).

A handwritten signature in blue ink that reads "D.J. Bettencourt".

David J. Bettencourt

Commissioner
